Start using my International Patient Summary

Set up my IPS

Your International Patient Summary record shows personal data, such as your details, allergies, intolerances and medication. It may also contain your medical history including problems and diagnoses notes.

The information is for direct patient care only and IPSs will not be used for research or planning by countries or third-party organisations

Legal opt-in statement:

~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~
~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~
~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~~

Select your one of the following options:

⦿ I allow my IPS record to be accessed if I am unconscious or incapable of giving consent in an emergency

◯ I do NOT allow my IPS record to be accessed without my express consent, even in case of emergency

☐ I have read and agree with the above

Share my IPS

You can give 3rd parties healthcare professionals access to your International Patient Summary record by creating a share code.

By default, the share code will be valid for 30 days from when it's generated. You can revoke the share code validity at any point.
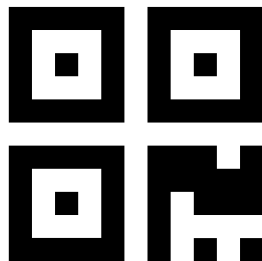

Create a share code

Details to share

Share code

T J M S E Y 2 B 8

This code is valid until 15 December 2021

QR code version

This QR code is valid until 15 December 2021

What to do next

1) Give this share code to the person or persons you want to share your IPS record with.

2) To see your IPS record, they must enter the share code on their IPS access portal or on www.####.nhs.uk

3) Once they request access to your IPS, you will receive a text message with a one-time-password. Give them the one time password to provide them access to your IPS
